İnteraktif Sesler - A

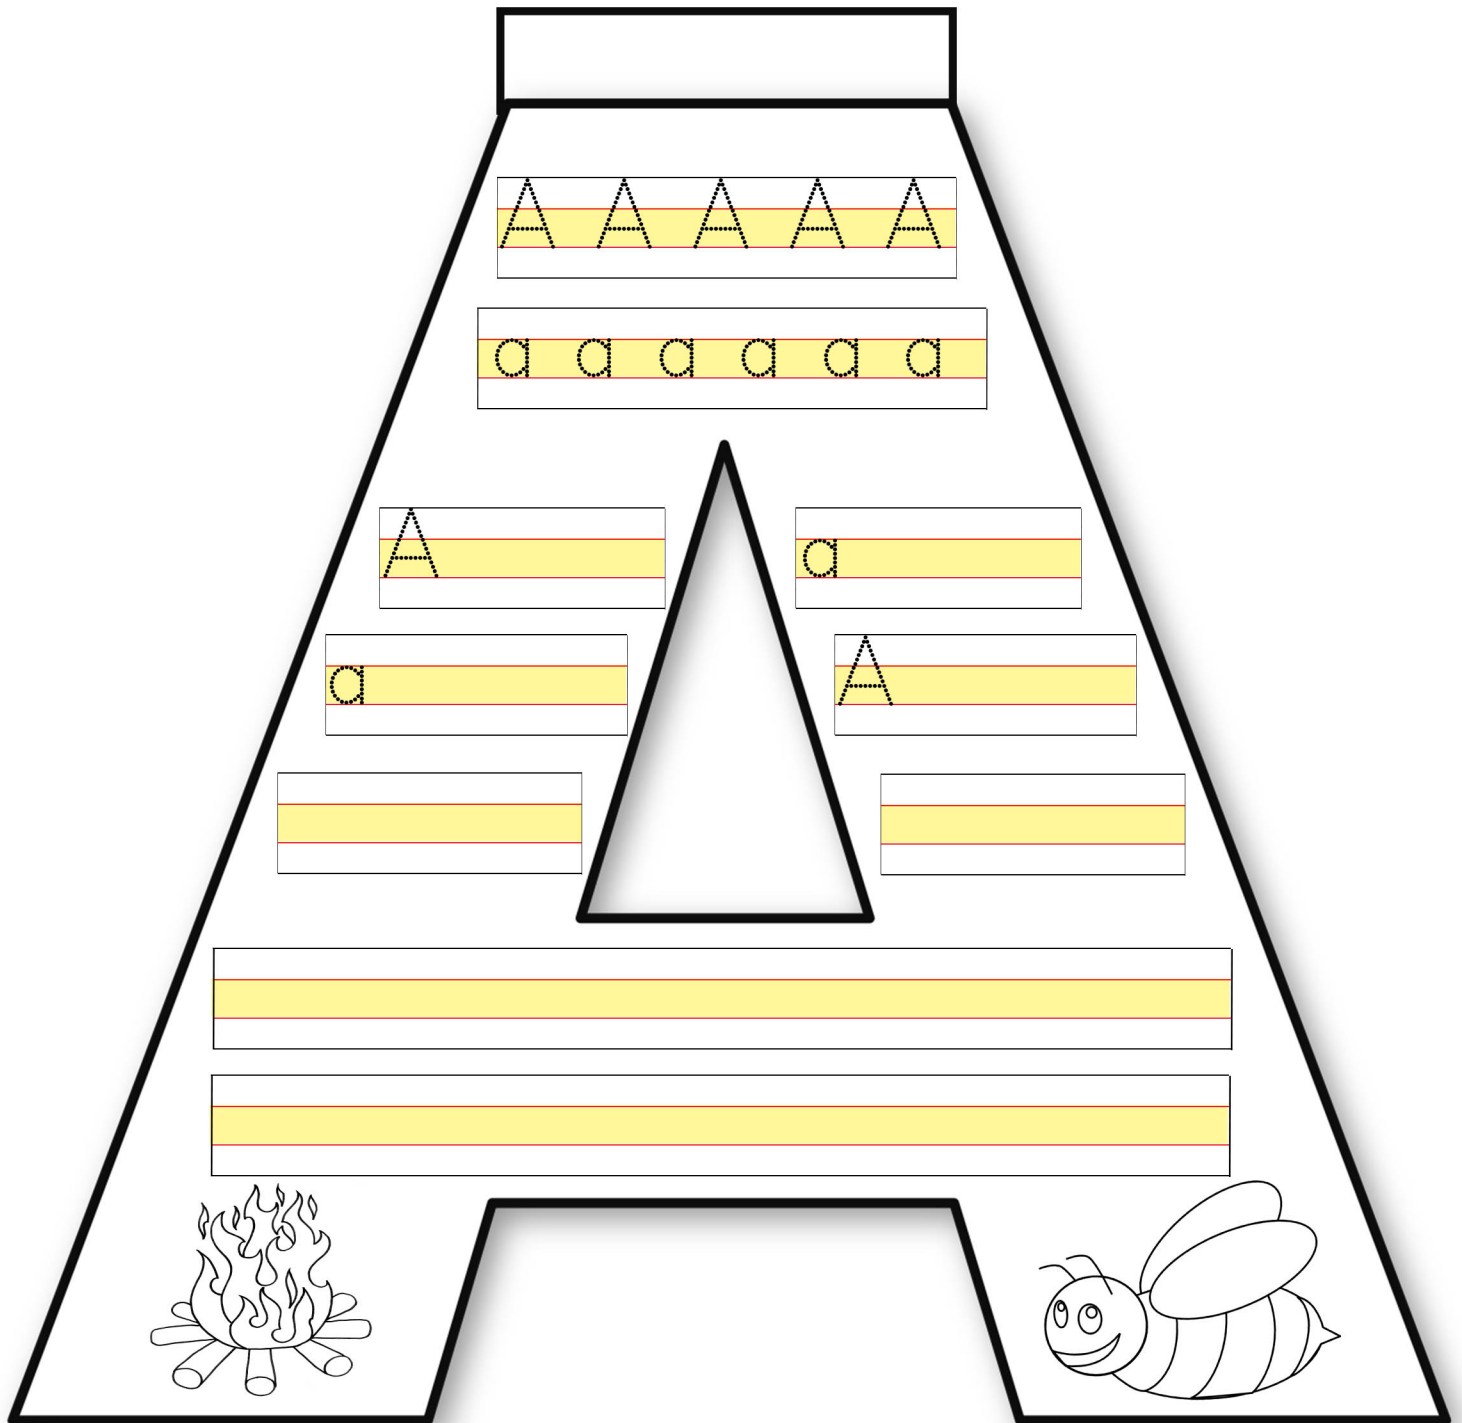

İnteraktif Sesler - A

The image features a large, stylized letter 'A' that serves as a container for various interactive learning elements. At the top, there is a small rectangular box. Below it, two horizontal rows of boxes contain five dotted uppercase 'A's and five dotted lowercase 'a's, respectively, for tracing. In the center, a smaller solid 'A' is surrounded by six boxes: two containing dotted uppercase 'A's and two containing dotted lowercase 'a's, with two empty boxes below them. At the bottom of the large 'A', there are two horizontal writing lines, each with a yellow highlighted middle section. In the bottom-left corner, a diagram shows the stroke order for writing an uppercase 'A' with numbered arrows: 1 (downward diagonal), 2 (upward diagonal), and 3 (horizontal crossbar). In the bottom-right corner, a diagram shows the stroke order for writing a lowercase 'a' with numbered arrows: 1 (counter-clockwise circle) and 2 (vertical downward line).

This worksheet is designed for interactive sound practice of the letter 'A'. It features a large outline of the letter 'A' with several writing lines inside. At the top, there is a small rectangular box. Below it, there are two sets of writing lines, each consisting of a top white line, a middle yellow line, and a bottom white line. In the center of the 'A' outline, there is a smaller white triangle. To the left and right of this triangle are three sets of writing lines each. At the bottom of the 'A' outline, there are two more sets of writing lines. In the bottom-left corner of the 'A' outline, there is a small uppercase 'A' with numbered arrows indicating the stroke order: 1 (downward diagonal), 2 (upward diagonal), and 3 (horizontal bar). In the bottom-right corner, there is a small lowercase 'a' with numbered arrows indicating the stroke order: 1 (counter-clockwise circle) and 2 (vertical line down).
